

Donor Privacy Policy

New Hampshire Humane Society is a 501 (c) (3) non-profit organization. All contributions are tax deductible as allowable by law. Donors should always defer to their tax professional for specifics regarding tax deductibility of cash and in-kind gifts, such as auction purchases, event tickets, etc. may not be 100% deductible.

We value our donors and take their privacy seriously. Our commitment to privacy includes how we obtain, use, protect and share information. This Privacy Policy is in conjunction with the Donor Bill of Rights.

Cultivating additional individuals to join in the support of New Hampshire Humane Society is critical to the long-term success of the organization. New Hampshire Humane Society collects and uses personal information such as name, address, phone number, and email address when an individual/organization voluntarily provides it to us.

We will not sell, trade or share a donor's personal information with anyone else, or send donor mailings on behalf of another organization without specific permission from the donor.

Contributing individuals and organizations are traditionally listed by name in publications such as our Annual Report, but we honor requests from those who wish to be listed as Anonymous.

New Hampshire Humane Society keeps a record of each donor's giving history for both IRS purposes and for analytical analysis by the Development Office for the purpose of budget projections.
